

QF 8018 – INSTRUCTIONS FOR RETURNING EAR-CONTROLLED HARDWARE FOR REPAIR

Persons outside of USA must follow all instructions below when sending items for repair to Teledyne Storm Products.

The commercial invoice must contain the following information in English language:

1. Part number
2. Description of item
3. Country of origin USA (unless item is otherwise marked)
4. Full value of goods in U.S. dollars – this value should be the amount you paid – do not use \$0.00
5. Harmonized Tariff Schedule (HTS) number – Storm will pay import duties for repair items:
 - a. Do not use a repair code. Use the code of the item provided to you with the original shipment, or
 - b. Choose the HTS number of the item below:

If the item is a:	Use HTS:	If the item is a:	Use HTS:
Back Body	8538.90.8040	Coupling Nut, Terminal, Electrical Splice	8536.90.4000
Cable Assemblies	8544.20.0000	Dielectric Bead	8538.90.6000
Contacts & Ferrules	8538.90.8040	Tools – Dependent on specific tool	Contact Import Administrator
** If you are unsure what HTS number to use, contact Storm's Import Admin at lballard@teledyne.com **			

- c. If the item is not listed above, or you are unsure what tariff code to use, contact Storm's Import / Export Admin:
